OFFICE OF LEGISLATIVE COUNSEL

Friday - 17 March 1972

1. (Unclassified - JGO) Received a call from Mrs. Sykes, Office of Legislative Liaison, Department of State, who asked whether it was appropriate to refer questions concerning RFE/RL to the Agency. I told her no that these were matters now for handling by the Department since we have severed our ties as far as congressional and similar inquiries are concerned.

2. (Internal Use Only - JGO) I talked to Mr. Art Kuhl, Chief Clerk, Senate Foreign Relations Committee, who told me there have been no changes in the list of witnesses who have been invited to appear to testify on S. 2224, "To amend the National Security Act of 1947, as amended, to keep the Congress better informed on matters relating to foreign policy and national security by providing it with intelligence information obtained by the Central Intelligence Agency and with analysis of such information by such agency." I thanked Mr. Kuhl for his assistance.

3. (Internal Use Only - JGO) At the request of the Director's office, I talked to Mr. John A. McCone in London concerning the invitation he has received from the Foreign Relations Committee to appear as a witness on the Cooper bill, S. 2224, on Monday, 27 March, at 10:00 a.m. See Memorandum for the Record.

4. (Unclassified - RJK) Winslow Wheeler, on the staff of Senator Jacob Javits (R., N.Y.), called to ask for [REDACTED]

5. (Unclassified - LLM) Left for Homer Krout, Administrative Assistant to Representative Joel Broyhill (R., Va.), a suggested reply to close out correspondence from Barbara Wininger concerning the Phoenix Program. A note was left for Mr. Krout to give me a call if this did not satisfactorily resolve the problem.
